A tradition that connects all generations: From children, to teenagers, and the young at heart of any age. The types and shapes of calendars available are just as diverse as the gifts you can choose to put inside. Here you can find everything your heart desires. Take a journey through the countless possibilities with DEPOT.

#### **DIY calendar popular for young and old alike**

The leading decor and furnishing specialist has all the ingredients in our winter product range you need to not only "design" your own custom-made calendars, but also fill them with treats to match your personal preferences. Advent calendars that invite you to imagine, like the Night. For a natural touch, choose the model fawn. The scandi boxes adds a Nordic design to your home or apartment. However, the classic paper bags can truly shine as an artistic packaging choice in the run-up to Christmas. For a great combination, add smart Craft gift tags. Whether you prefer boxes or bags the handmade sticker set can help you convey any message, ranging from "enjoy" to "for you" and "with love." Or you could choose the hearts sticker sheet. After all, everything comes from the heart ...

#### **Sweet shooting stars and snowman soup**

Now, the last question is how you're planning to fill the calendar. DEPOT has just the little presents you need. Sweet choices like shooting stars made of fruit jelly, fine snowman soup made of marshmallow or sweet-smelling Xmas hot chocolate. The little, star-shaped hand warmers fit perfectly in your pocket for cold (winter) days, on the way to school, work, or the university. Thank you and happy fruit teas bags are a great way to warm yourself up and relax indoors. The bubble bath sphere is the perfect addition to the calendar for relaxing evenings at the end of the year. The keychain in dried flower design s are just as popular as the keychain leather Home heart. Another true favorite is the tea light in a tin. With these 24 little gifts you are ready to celebrate the festival of love.
