

DEPOT parties on: it's time to get outdoors

"A toast to life" – simply inviting

Niedernberg, 29 April 2022 – Germany is moving outdoors. The sun is shining, the days are getting longer. A good enough reason to finally spruce up your garden, patio or balcony. It's certainly something to be proud of. And is the perfect occasion to invite friends or family over to celebrate together once again. Birthday, baptismal name day, wedding anniversary - or simply a "Toast-to-life" day. DEPOT is joining in the celebration for its 25th anniversary and has everything ready for that outdoor party at home, online and in all its stores. An outdoor celebration. Laughing, chatting, talking about everything under the sun, or just taking your mind off things.

The table at the heart of the gathering

Your table becomes the centre of the party. Whether round, oval or angular – the main thing is that it is welcoming. As a leading interior design and furnishing specialist, we help to make this happen. Its fine table décor includes mirror coasters, as if made for the Noble champagne glass. Colourchange is the perfect tumbler that is also appealing to the eye. Our drinking straws made of glass are both sustainable and beautiful. These drinking straws are guaranteed to touch your heart. And the six-litre Glam beverage dispenser can hold water or juice.

Our décor range also includes the Border placemat. Or, here's where it gets really cool , Pattern, to match your individual taste. Summer-fresh flowers will feel at home in the Klarwitta vase. Flower napkin rings bring a touch of blossom to your table. A Diamant ice cube mould is ideal for chilling drinks.

Sunshine becomes light

Your feel-good outdoor ambience can be rounded off with the right lighting. Solar power is the order of the day: such as with our Macramé solar lamp. LED solar string lights also provides atmosphere around a large table. When the sun's rays become too much, our Magnus sunshade is a pleasure to put up at any time. Otherwise, relaxation is the name of the game. The Kate outdoor serving trolley provides refreshing drinks, while the Lars outdoor lounge set is the perfect place for a cosy get-together. Bring on the next outdoor party!
