

Autumn can come - but gold and silver are already here

Cozy, cool and stylish? It's all about the mix of metals

Niedernberg, September 16, 2021 - They were very popular at the Olympic Games in Tokyo: Is there gold or silver? The answer at DEPOT is: There is gold and silver. Because it's all about the mix of metals. Gone are the days when gold and silver should be separated nicely. The glamorous duo will be taking up residence in Germany's houses and apartments this fall. What the leading decorating and furnishing specialist has to choose from in its portfolio is also worthy of a medal. Warm gold and cool silver: Two classics united in our homes. A small selection of the great options.

From inviting lettering to decorative picture frames

What a charming welcome! Inviting, when you are greeted as with the Walked in. silver pendant. Inside, the decorative figure Deer awaits us - hand-painted and handmade, which allows the elegant furnishing style to perfectly blend with shiny balls and accessories like Silver lining lantern . In combination with the timelessly chic oval Decorative metal tray with its smart dimensions of 40 by 14 centimeters, it lends every dining table or chest of drawers a certain "oh, that's stylish!". Behind it, shining out of the white wall - in a compact 18 by 13 centimeters - the beautiful Pulito picture frame, a great home for photos of loved ones. Or vacation photos, the memories of which shouldn't fade.

Maple in all sizes and great tableware to marvel at

The next time to relax is sure to come. The well-intentioned demand is already there Hang in there - 40 centimeters of encouragement to help you persevere, simply golden. Just like the fine Maple leaf, that lends the autumn mood a new sheen. Would you like a little more? Then the poplar and paper Maple garland is ideal. DEPOT also has great tableware for the festive season. The glass Waffle dessert plate guarantees the wow effect. It doesn't have to be hidden either Golden Wreath of leaves - on the contrary, it can be seen on every wall or door. Featuring a combination of glass and iron materials, the Glass box candle stick holder, comes in two different sizes. And anything the silver stag can do, its gold counterpart also achieve: the handcrafted, porcelain Decorative deer figurine . Simply shiny!

Without a doubt: Gold still exudes warmth and comfort, while silver looks cooler and more modern - let this mix create a harmonious ambiance within your own four walls. Create a classic, timeless home where you can enjoy spending your time.
